Director's Meeting

Monday, 5 November 1951

HR70-14

Mr. Dulles reported that [ ] would be here tomorrow and the DCI will want to see him.

Mr. Dulles mentioned the article in the press in regard to the \$100,000,000 under the Mutual Aid Act. The DCI said that little of this would be available and that 15 different organizations already want some of it. The PSB will call a meeting of interested parties and try to sort out the various bids.

Mr. Dulles said that he had just read the review of Justice Douglas' book in regard to Communism in the Middle East. He wondered whether someone should talk to Justice Douglas. The DCI said that we possibly should. Mr. Dulles will read the book and then follow this up.

The DCI said that Admiral Cook was back from Formosa and had had a talk with [ ]. He is in New York and we should get in touch with him and get him down here to tell his story. The DCI would like to be present and suggested Mr. Dulles, Gen. Wyman, Col. Stilwell, etc. Mr. Larocque will discuss this with Mr. Dulles.

Mr. Wolf mentioned the proposed visit of [ ] this afternoon. Believes he will want to talk about radio contracts. He suggested that the DCI see [ ] for a minute and then send him upstairs to talk to Houston and himself.

Mr. Jackson spoke about [ ] was an outstanding engineer for the Navy during the war and Col. Johnson thinks that we can persuade him to come to us as Head of the Technical Aids Division. Mr. Larocque will check with Col. Johnson to see if he has the full historical background on [ ]. If not, we will call Adm. Johnson's office.

The DCI noted the OSI item in the Log and stated that if anyone represents us on atomic matters it should be a civilian and not [ ]
